

Attaching the Sign to the NeXtrac® Bowl

Parts List:

Required Tools

1. Remove nut from Bowl using wrench and screwdriver. Install Sign Base where nut was. Tighten screw to secure. (Illustration A)
2. Insert graphic into Sign Holder. Replace sign foot. Graphic size: 8in x 2.5in (Illustration B)
3. Place Sign inside Bowl and attach Sign Holder to Base by means of the magnet inside the Sign Foot. (Illustration C)
