

Post and Panel

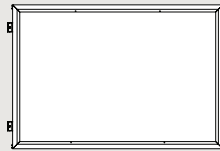

Parts List:

Allen Wrench

2 Beltrac posts
(sold separately)

Panel

Allen Wrench

Goggles

Required Tools

Caution: Do Not Attempt to relocate the Post and Panel system while assembled.

Please Note: Two people are required for this installation. The Panel section comes fully assembled and ready to mount.

1. Loosen the hinges on both ends of the Panel with the supplied allen wrench. See Figure A.
2. Determine the desired location of the Panel. See Figure B.
3. Insert the hinges into the post's grooves then use the Allen wrench to tighten the screws. See Figure C.
4. Your Post and Panel is now ready to use.
