

Decorative Directrac® Sign Display

An elegant, versatile signage solution, perfect for upscale environments.

Features & Benefits

- Decorative support and custom coloring adds elegance to any interior setting.
- Change promotional posters or signs in seconds with Lavi's Directrac® Removable Inner Cartridges.
- The side panel snaps open and shut easily, offering convenience when changing display media.
- Directrac's clever design camouflages the side panel opening, deterring unauthorized tampering.
- Flexible advertising display offers double-sided viewing.
- Quick-snap poster holders, strip channels and changeable letter cartridges are available.
- All hardware and clear acrylic media protector windows are included.
