Hinged Frame Panels

Versatile and Convenient In-Line Signage Solutions.

Features & Benefits:

- Featuring our smallest hinged connectors to date, virtually concealed once slotted into the post grooves.
- Hinged connections allow panels to be angled in any direction, offering flexibility and versatility.
- Durable yet lightweight aluminum construction.
- Thin frame edges offer a clean, contemporary look.
- Available with either clear panels that protect printed graphics or black ¼" acrylic panels, ideal for creating barricades.
- Simple to replace panels or graphics with basic tools.

Hinged Framed Panels

Versatile and Convenient In-Line Signage Solutions.

Choose from two finish options and two insert options in Satin Aluminum or Matte Black, frame finishes with either a pair of clear 1/8" acrylic inserts or a single 1/4" black panel.

To remove the inserts or to insert graphics, simply remove the top edge of the frame by removing the two screws at either end of the top edge with a Phillips screwdriver, replacing afterward to secure the panel.
