## PRODUCT AVAILABILITY UPDATE

In an ongoing effort to offer our customers the most relevant and cost-effective public guidance solutions, we find that it is sometimes necessary to discontinue certain product offerings. Effective immediately, we will be phasing out the Beltrac Infinity (41200 Series) line of retractable belt posts. In its place, we will continue to offer our flagship Beltrac 3100, which offers these advantages:

- Same 13' belt length
- Lower price
- Instant compatibility with our entire line of NeXtrac® In-line Merchandising solutions
- Fifteen post finishes and 15 belt colors

**Infinity Posts will be offered only while supplies last on a first come, first served basis. Please contact your Sales Associate for details.**
