

Magnetic Base

Keep posts in place with this powerful magnetic base option.

Features & Benefits:

- Strong magnetic base keeps post firmly in place.
- Post quickly removes from floor plate when needed.
- Stainless Steel floor plate can be affixed to floor with a center bolt (not included) or with the 3M adhesive option.
- Small footprint (8 7/8" diameter) offers a clean, contemporary look and maximizes floor space.
- Post sold separately.
- Please call for pricing.

Magnetic Base Option Includes*:

- One stainless steel Floor Plate.
- One heavy-duty Magnetic Base.
- One Rubber Insert for mounting post.
- One satin-finish Cover Plate.
