

# Merchandising Bowls

*Clear acrylic bowls display easily accessible merchandise in the queue.*

## Features & Benefits:

- Merchandising bowls make it simple to display last-minute “reminder” items the customer may have forgotten to place in their cart.
- Clearly displayed merchandise increases impulse sales.
- Merchandising bowls mount to the top or side grooves of the Beltrac® posts in your queue.
- Strip sign holders display customized graphics which are simple to change.

Product Style	Product Number	Dimensions	Weight	Mounting	Material	Durability	Longevity
Post-mount Bowl	80-937BWL	Bowl Diameter: 11.75" Bowl Height 5.5"	2.5 lbs.	Fits any 7' Retractable-belt Post	Environmentally-friendly (recyclable) premium-grade Styrolux®	Superior transparency that maintains non-yellowing clarity as long or longer than traditional SBS polymers. Excellent impact strength and stiffness that is less brittle than commonly used SBS polymers.	Due to superior durability features, Styrolux equals or outlasts other traditional SBS polymer products used in injection molding.
Side-swing Mounted Bowl	80-938BWL/SSM	Strip Sign Holder: 9.5" x 2.5"	2.0 lbs.	Fits any Beltrac® 3000
