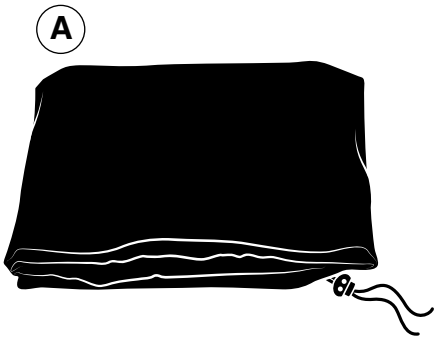
NeXtrac Locking Cover

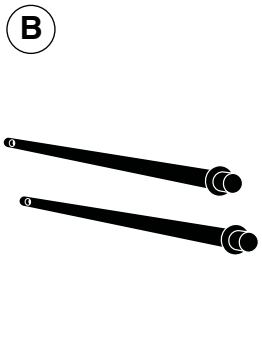
Parts:

A. Fabric Cover

B. Secure Metal Rods (x2)

C. Lock & Key (x2)

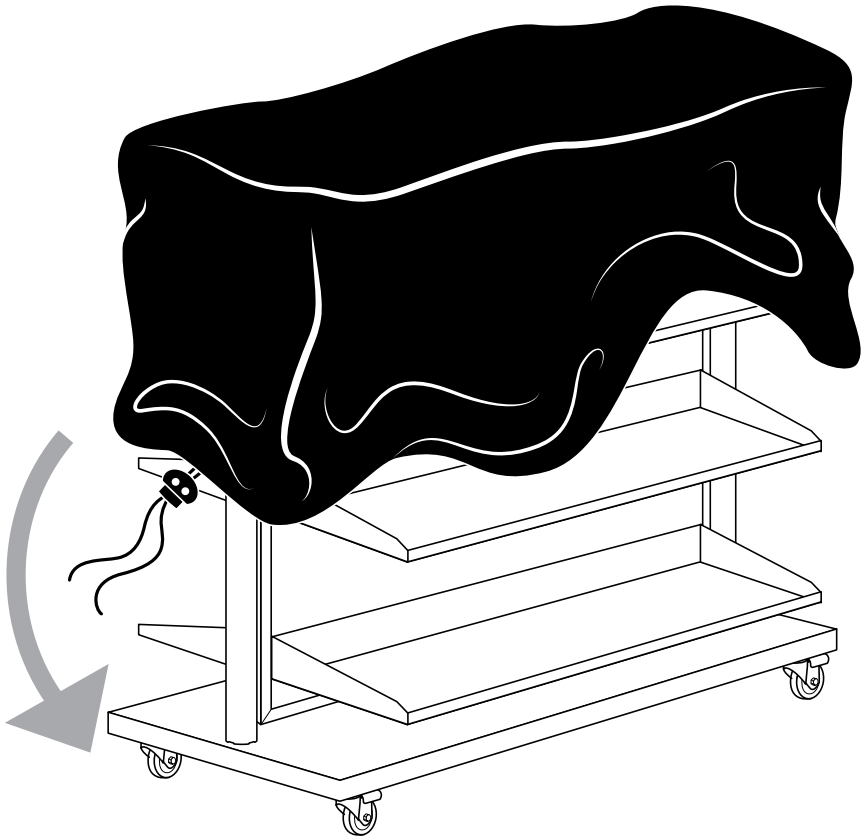




STEP **1**

Position the Cover

Unfold the Cover and drape it over the NeXtrac Merchandising Unit, distributing the cover evenly over the unit.

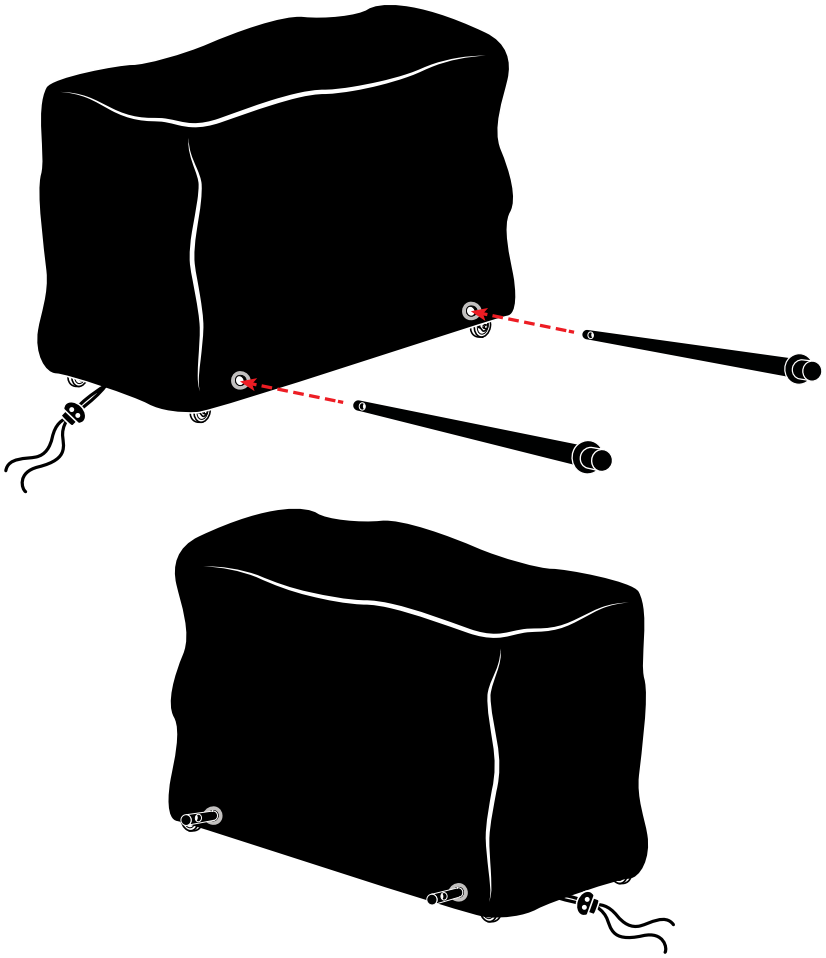


STEP 2

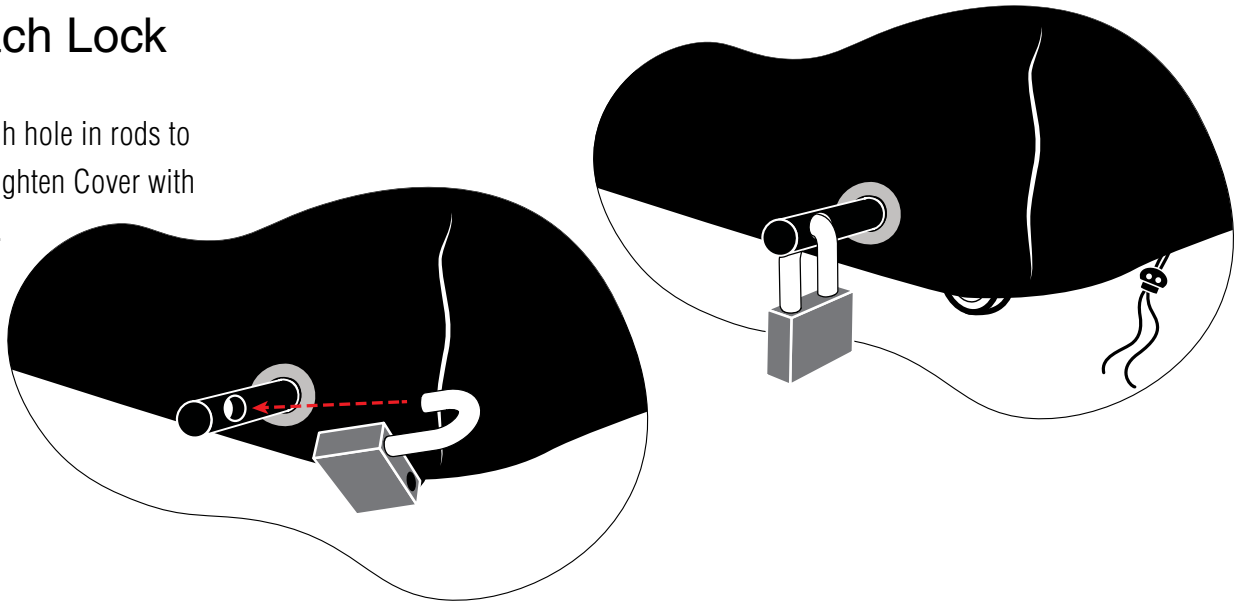
Position Rods

Slide a rod through the grommet hole on one edge of the cover, continuing under the unit and out through the grommet hole on the opposite side of the cover.

Slide the second rod through the remaining grommet holes.



STEP 3

Attach Lock


Slide locks through hole in rods to secure in place. Tighten Cover with Toggle Cord Lock.
