Portable Traditional Posts

Exceptional quality for years of use

Our classic Traditional Post and Rope barriers provide the strength you need and the quality you expect. Available in dozens of finish, color, and style options, you'll find the right post for your exact needs. Every post comes with a 5-year warranty. Designed, engineered and built in the U.S.A.

Ropes, chains and wall plates are available.

Superior construction for durability.

Removable finial allows posts to accept our Radius Corner Sign Frames.

Universal ring accepts swag ropes from any direction.

Easily attach Premium Sign Frames by removing finial.

Steel inner sleeve provides superior strength along the full post length.

Cast steel base threads into steel inner sleeve to provide exceptional stability.

Non-marking rubber bottom protects floor surfaces and allows area under post to remain dry.

Classically Styled to Elegantly Guide the Public

Classic architectural styling.

Large variety of post finishes and base styles.

Hand-polished solid brass and stainless steel posts.

Rich velour or vinyl swag ropes create a pleasantly draped barrier.

Durable, baked-on Lido-Tone® color finishes provide a contemporary appearance.

Beltrac® Retractable Belt Stanchions

Product innovation engineered for the real world.™

Every post features a 4-way "dovetail" connection.

Easy-to-replace belt mechanism.

Belts retract slowly and safely each and every time.

Beltloc™ prevents the accidental release of belts.

A non-marking, rubber-bottomed base protects flooring.

Contempo® Post

Beltrac® 3000

Beltrac® 3000

The original public guidance stanchion awarded a design patent for its self-contained belt architecture. Engineered to withstand years of use – and abuse – in the field. 5-year post warranty. 3-year mechanism warranty. Designed, engineered and built in the U.S.A.

BELTRAC® 3000

- Exclusive Beltrac grooves instantly accept NeXtrac® In-Line Merchandising Solutions.
- Continuous aluminum extrusion withstands the elements and provides superior strength.
- Patented, embedded slow-retract mechanism keeps maintenance costs low and customers safe.
- Weighted steel base offers exceptional stability.

BELTRAC® CONTEMPO

- Continuous steel post offers high-end finishes and superior strength.
- Patented, embedded slow-retract mechanism keeps maintenance costs low and customers safe.
- Weighted steel base offers exceptional stability.

Belt Imprinting

Custom graphics can support your brand or highlight upcoming events. We can assist in creating custom artwork with our full-service Graphics Department.

Dynamic graphics can be custom-printed on your belts!

QtracCF™ Electronic Queuing

Take Control of your Queues!

QtracCF uses the latest in wireless technology to direct waiting customers to the next available service point. A simple button press on the QtracCF remote triggers audio and visual messages on an LCD monitor placed at the head of any queue.

Increase service efficiency and your bottom line.

Optimize customer throughput and increase server efficiency by as much as 35% with advanced features such as directional arrows, station numbers, and voice & audio prompts – all completely customizable!

Leverage Wait Time by Integrating Advertising.

Reduce perceived wait times by up to 50% by keeping customers engaged while they're queuing.

Simply the easiest EQ product on the market... for less!

QtracCF is ready to go right out of the box. It's easy to install and simple to customize. Promotional media can be instantly updated by swapping out a simple USB flash drive.

SIGNAGE SOLUTIONS

Directrac® Floor Stands

Directrac is an ideal advertising display that allows absolute flexibility when changing media due to its patented changeable cartridges. Contemporary styling offers two-sided viewing. The side panel snaps open and shut to offer a secure means to display media which are replaced by easily sliding the cartridge in and out on its track. Dry erase, strip channels and changeable letter cartridges are available. Includes all hardware and clear acrylic media protector windows.

Premium Sign Stands

An appealing and versatile sign solution that integrates seamlessly into existing queues with other posts and ropes. Change graphics and messages easily with either of the available media-capture options: slotted or unslotted. The radius corners promote safety while coordinating perfectly in your choice of 15 colors and finishes. The posts are available with your choice of four base options: curved, sloped, flat or dome, all in a wide selection of colors and finishes.

Post-top Sign Frames

Lavi Industries features exclusive sign frames for mounting on top of crowd control posts. These frames are fabricated with radius corners, eliminating sharp edges near your customers. Each frame includes twin clear acrylic panels designed to accept regular paper media.

Smooth radius corners eliminate sharp edges near your customers.

SPECIALTY PRODUCTS

Exhibit Posts

Our Exhibit Posts are virtually indestructible due to their structural steel skeleton. These 24" stanchions offer a graceful visual barrier while providing visitors with an unobstructed view of exhibits, displays, or special promotions. Offered with our standard rubberized base to protect your floor surface. Available in either our Beltrac Contempo design or our Traditional Regal post.
