Belted Queuing Stanchions

Concession Merchandising Solutions

Temporary Closures

Parking Barriers

Beltrac® Retractable Belt Stanchions

Product innovation engineered for the real world.™

Every post features a 4-way "dovetail" connection.

Easy-to-replace belt mechanism.

Belts retract slowly and safely each and every time.

Beltloc™ prevents the accidental release of belts.

A non-marking, rubber-bottomed base protects flooring.

Contempo® Post

Beltrac® 3000

Beltrac® 3000

The original public guidance stanchion awarded a design patent for its self-contained belt architecture. Engineered to withstand years of use—and abuse—in the field. 5-year post warranty. 3-year mechanism warranty. Designed, engineered and built in the U.S.A.

BELTRAC® 3000

- Exclusive Beltrac grooves instantly accept NeXtrac® In-Line Merchandising Solutions.
- Continuous aluminum extrusion withstands the elements and provides superior strength.
- Patented, embedded slow-retract mechanism keeps maintenance costs low and customers safe.
- Weighted steel base offers exceptional stability.

BELTRAC® CONTEMPO

- Continuous steel post offers high-end finishes and superior strength.
- Patented, embedded slow-retract mechanism keeps maintenance costs low and customers safe.
- Weighted steel base offers exceptional stability.

Belt Imprinting

Custom graphics can support your brand or highlight upcoming events. We can assist in creating custom artwork with our full-service Graphics Department.

Dynamic graphics can be custom-printed on your belts!

QtracCF™ Electronic Queuing

Take Control of your Queues!

QtracCF uses the latest in wireless technology to direct waiting customers to the next available service point. A simple button press on the QtracCF remote triggers audio and visual messages on an LCD monitor placed at the head of any queue.

Increase service efficiency and your bottom line.

Optimize customer throughput and increase server efficiency by as much as 35% with advanced features such as directional arrows, station numbers, and voice & audio prompts – all completely customizable!

Leverage Wait Time by Integrating Advertising.

Reduce perceived wait times by up to 50% by keeping customers engaged while they're queuing.

Simply the easiest EQ product on the market... for less!

QtracCF is ready to go right out of the box. It's easy to install and simple to customize. Promotional media can be instantly updated by swapping out a simple USB flash drive.

NeXtrac® In-Line Merchandising

Value-added queuing and in-line merchandising

Hand Sanitizing Dispenser

Small footprint, big impact.

NeXtrac merchandising panels and signage options fit into the existing queue space, leveraging a captive audience to deliver maximum benefits.

An ongoing profit center.

NeXtrac merchandising solutions can increase impulse sales at checkout by as much as 50%.

Increased customer satisfaction.

NeXtrac solutions keep customers engaged, reducing perceived wait times and creating happier, more satisfied customers.

Post-top Sign Frames

Lavi Industries features exclusive sign frames for mounting on top of crowd control posts.

These frames are fabricated with radius corners, eliminating sharp edges near your customers. Each frame includes twin clear acrylic panels designed to accept regular paper media.

Smooth radius corners eliminate sharp edges near your customers.

Magnetic Base Option for Posts

Sold as an option when purchasing posts, this strong magnetic base will keep posts firmly in place, while enabling them to be removed when not in use. Affixed by your choice of either a center bolt or 3M adhesive.

Magnetic Base Option Includes:

- One stainless steel Floor Plate.
- One heavy-duty Magnetic Base.
- One Wedge Insert for mounting post.
- One satin chrome-finish Cover Plate.

Our Value Line Posts *Lavi quality at a budget-friendly price*

Our customers say it all...

Lavi's products are well-designed with very good build quality.

California Academy of Sciences

All levels of service are top-notch, from ordering to shipping.

Vantage Marketing

Partnering with Lavi and their complete systems solutions has assisted us in establishing ourselves as a leader in the Store Fixtures Industry.

Westmount Store Fixtures

Shuttletrac® Post Transporters.

- Conveniently transport and store your posts when not in use.
- Choose between 9-post and 16-post capacity.
- Enables one person to easily transport multiple posts.

All-weather Outdoor Posts

Built for Strength and Endurance.

- Choice of two base options: Solid rubber for weight, strength and durability, or hollow refillable version for lightweight transport.
- 1 year warranty on post and mechanism.
- Designed for quick, on-site assembly, easy transport and storage.
- Constructed of weatherproof HDPE (High Density PolyEthylene) plastic.

Temporary Barricades

Wall-mounted with retractable-belts

Perfect for temporary area closures. A good way to clearly indicate closed registers in shops. Maintain safety by blocking areas for cleaning or repairs. Choose from 7'-, 13'- or 18'-belt models.

Lavi Provides Solutions for:

JetTrac® Double-belted Portable Barrier

Perfect for cordoning off parking lot areas.

- An instant barricade that clearly defines safe zones for large areas.
- Each belt can extend up to 65'.
- Swiveling belt mechanisms allow for belts to extend in any direction, minimizing belt abrasion.
- Belts are easy to replace & weather-resistant.
