

Edge Tower

A modern, mobile signage system for wayfinding, advertising, and messaging

INNOVATION & DESIGN

Make a lasting first impression

Built upon the legacy of Lavi's Directrac Signage Systems, the Edge Tower combines a modern aesthetic with a mobile platform to deliver impactful visual communication in any environment.

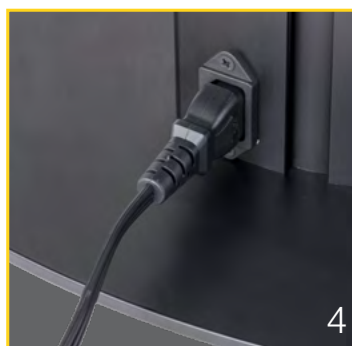

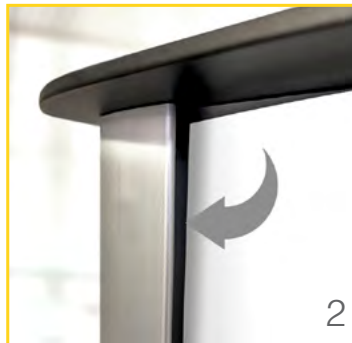

It's modular design and dramatic build will enrich your brand and message while creating better customer journeys.

EFFECTIVE & IMPACTFUL

Powered or not, your message will shine.

- Backlit option brings edge-to-edge brilliance to your graphics
- Double-sided messaging delivers 360° visibility
- Quick-release panels help you change graphics in a flash
- Low-profile wheels provide easy mobility
- Unique design enables seamless integration into queues

- 1 > Low profile wheels
The raised base creates airflow that protects flooring.
- 2 > Easily replace graphics
Innovative design makes it easy to change graphic panels.
- 3 > Add into your queue
Built-in side grooves enable stanchion belt connections.
- 4 > Backlit graphics
Powerful LED's provide edge-to-edge brightness.

FLEXIBLE & ADAPTABLE

Customize add-ons to increase impact

- A single or dual-sided accessory bar provides infinite options for increasing impressions
- Add a powered touchscreen to create a stunning kiosk
- Create 3-D messaging that stands out and gets noticed
- Work with our expert team to create a custom solution
