

POST & PANEL BARRIERS and GATES

Versatile, portable partition walls and gates help secure areas and control pedestrian flow.

VERSATILE & FLEXIBLE

Hinge Frame Panels

Hinged panels provide extreme flexibility in creating permanent or temporary crowd control barriers.

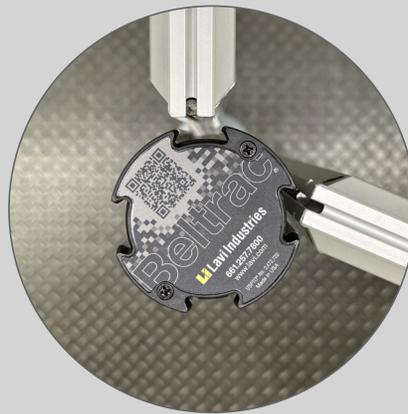

- Fast, easy to install. Panels simply slide onto stanchion.
- Embedded hinges enable panels to freely rotate to any angle.
- Featuring our smallest hinged connectors to date, virtually concealed once slotted into the post grooves.
- Durable yet lightweight aluminum construction.
- Clear acrylic or black sintra 1/4" panels.
- Simple to replace graphics using basic tools.

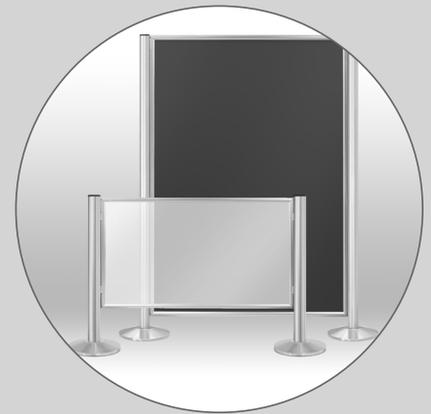

Key Features

Fast and easy to install. Panels simply slide into stanchion grooves.

Embedded hinges enable panels to freely rotate to any angle.

Numerous widths and heights to fit your unique space or project.

Barrier gates add controlled access or emergency egress.

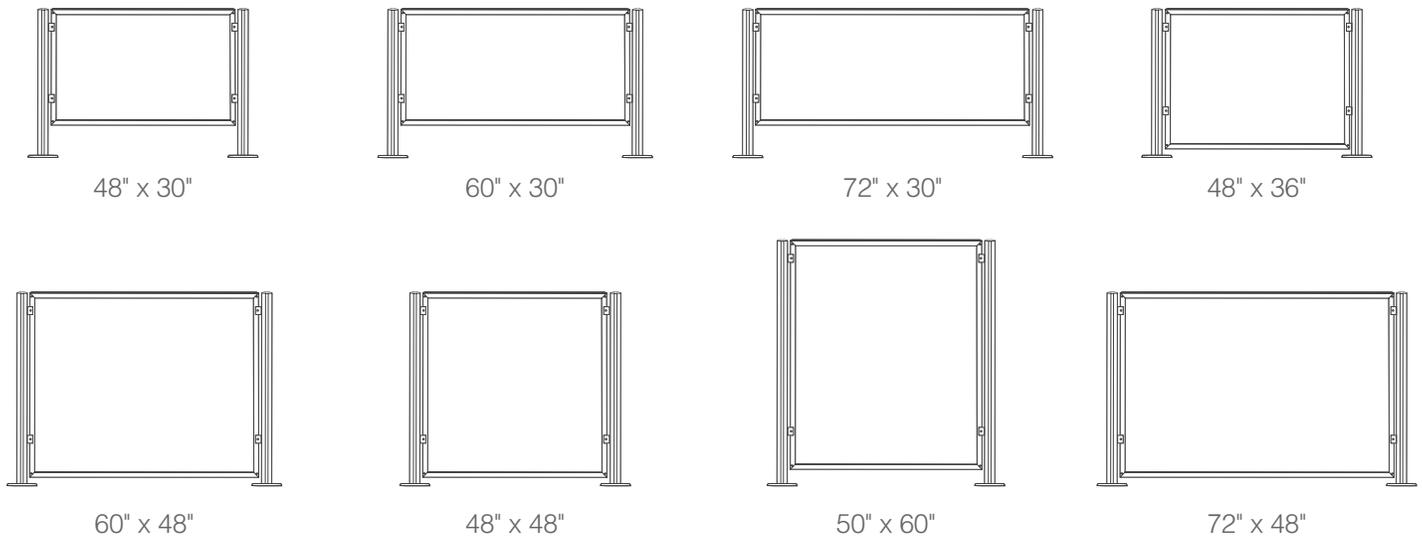

We can provide design and printing for your signage graphics.

Dual Breakaway Barrier Gate

Create an emergency egress point in Post & Panel barrier walls.

- Magnets keep gates firmly closed, yet release with applied pressure
- “Saloon” style gates have a compact footprint, fitting in tight spaces
- Provides strategic emergency egress points from Post & Panel barriers

Single Breakaway Barrier Gate

Add a convenient access point in Post & Panel barrier walls.

- Strong magnets release with applied pressure
- Rolls smoothly on hard surfaces and carpet
- Integrates into Beltrac Post & Panel walls, including retro-fit applications

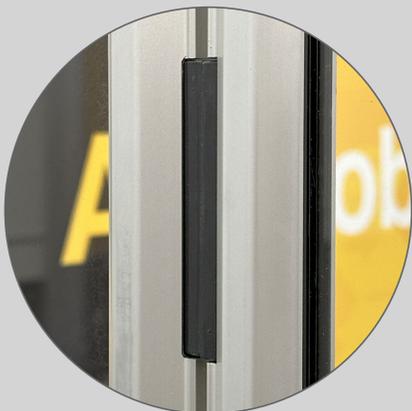

Barrier Gate with Latch

Provide a controlled, secure access point in Post & Panel barrier walls.

- Keyed latch can be locked for secure access
- Rolls smoothly on hard surfaces and carpet
- Integrates into Beltrac Post & Panel walls, including retro-fit applications

Key Features

Strong Magnetic Closure

Strong magnets keeps gates firmly closed, yet open with a force of 5 lbf.

180° Rotation

Gates open in both directions for a full 180° rotation.

Custom Printed Messaging

Optional messaging or graphics available for panel face or frame edge.
