# NeXtrac® Rigid Rail Signage

## Features & Benefits:

- Rigid Rails give your queue a sleek, modern appearance, and provide the option of adding in-line signage between the rails.
- Our patented hinge grip allows the rail to be positioned at any angle.
- Camera Finish (satin) and Wrinkle Black finishes available.

# NeXtrac® Slim Frames

## *Features & Benefits:*

- Sleek and modern with a slim profile of only  $\frac{3}{4}$ ", Slim Frames put the emphasis on your media, not the frame.
- Works seamlessly with Beltrac® 3000 Posts.
- Graphic inserts can be easily changed out and are protected between two clear Plexiglas panels.
- Hinged frames allow for angled panels within an in-line merchandising system.

# Hinged Framed Panels

## *Features & Benefits:*

- Featuring our smallest hinged connectors to date, virtually concealed once slotted into the post grooves.
- Hinged connections allow panels to be angled in any direction, offering flexibility and versatility.
- Durable yet lightweight aluminum construction.
- Thin frame edges offer a clean, contemporary look.
- Available with either clear panels that protect printed graphics or black ¼" acrylic panels, ideal for creating barricades.
- Simple to replace panels or graphics with basic tools.
