

## SPECIFICATIONS

# Mobile Protective Kiosks

### Create safer checkpoints:

- Protect staff & customers with an effective physical shield from crowds
- Communicate clearly with built-in, front speak-thru.
- Adjustable surfaces can be added internally or externally for equipment or writing space
- Post grooves allow kiosk to seamlessly integrate into a queue
- Wheels enable kiosk to easily move anywhere you need it

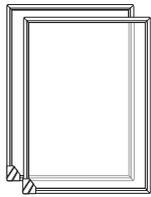

# Specifications

Part Number	Description	Finish	System Weight	Shipping Weight	Shipping Box Size
50-PGTDC/3224/MB	Mobile TDC W/Protective Panels, Speak-Thru	Matte Black	160 lbs	169 lbs	38" x 30" x 79"
