Traffic Guidance and Barriers

Portable Partitions and Safety Barriers

Temporary Belt Closures

Outdoor Stanchions and Sign Stands

- Designed for quick, on-site assembly, easy transport and storage.
- Constructed of weatherproof HDPE (High Density PolyEthylene) plastic and recycled rubber.
- Easily add Signage or Flashing Safety Beacon..
- 1 year warranty on post and mechanism.

Standard and custom signs available.

Beltrac® Stanchions and Sign Frames

BELTRAC® STANCHIONS

- Engineered to withstand years of use – and abuse – in the field.
- Continuous extrusion/post withstands the elements and provides superior strength.
- Patented, embedded slow-retract mechanism keeps maintenance costs low and customers safe.
- Weighted steel base offers exceptional stability.
- 5-year post warranty, 3-year mechanism warranty.

BELTRAC® SIGN FRAMES

- Effectively inform and guide customers without interrupting staff's workflow.
- Available with fixed or swivel mounts.

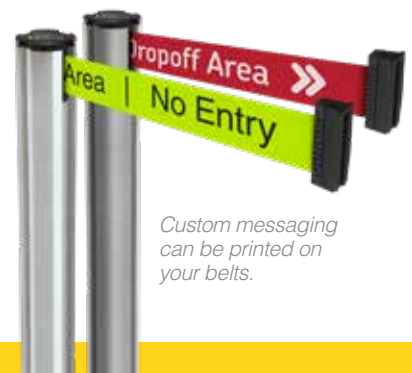

Hand Sanitizer Station

- Maintenance-free dispenser operates with gravity — no moving parts to break (requires four D alkaline batteries).
- Stanchion or wall-mount attachment.
- 70% ethanol alcohol solution offers a broad killing spectrum.
- Sanitizes with no sticky residue, unlike gels and foams.
- Up to 1300 uses per 32 fl. oz. refill.
- FDA registered. USDA certified bio-based product.

Custom Belt Messaging

Custom graphics can support your brand or highlight important information. We can assist in creating custom artwork with our full-service Graphics Department.

Custom messaging can be printed on your belts.

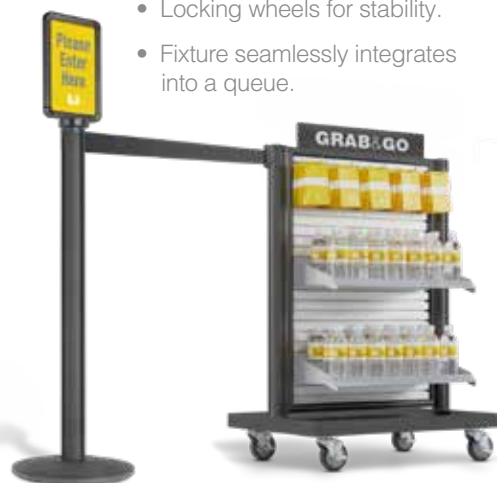

Post and Panel Partitions and Barriers

- Portable barriers quickly secure areas and provide access control.
- Lightweight yet durable construction makes it simple to create temporary barricades anywhere.
- Hinged connections allow panels to be angled in any direction, offering flexibility and versatility.
- Available with either clear panels that protect printed graphics or black ¼" acrylic panels, ideal for creating barricades.

Mobile Merchandiser

- Mobile fixture puts impulse merchandise wherever customers are.
- Locking wheels for stability.
- Fixture seamlessly integrates into a queue.

Our customers
say it all...

*Lavi's products are
well-designed with a
very good build quality.*

California Academy
of Sciences

*All levels of service
are top-notch, from
ordering to shipping.*

Vantage Marketing

*The rapid response
I received from Lavi
to fill a complex order
played a crucial role
in helping American
Airlines put its best
foot forward.*

Solutions for:**

American

AMTRAK

Burlington

UNIVERSAL STUDIOS
THE PARKS

Transportation
Security
Administration

Walt Disney World Resorts

JetTrac® Double-belted Portable Barrier

Perfect for quickly cordoning off large areas.

- An instant barricade that clearly defines safe zones for large areas.
- Each belt can extend up to 65 feet.
- Swiveling belt mechanisms allow for belts to extend in any direction, minimizing belt abrasion.
- Belts are easy to replace & weather-resistant.

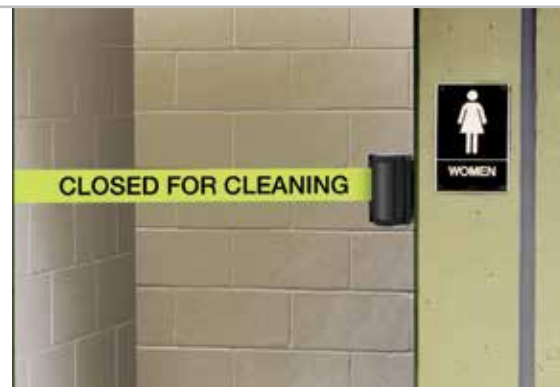

**Includes two
65-foot-long
belts**

Temporary Belt Barriers

Wall-mounted retractable-belt safety barriers.

Perfect for temporary area closures. A good way to clearly indicate temporarily closed areas. Maintain safety by blocking areas for cleaning or repairs. Choose from 10'-, 15'- or 18'-belt models.
