

NeXtrac® Merchandising

Slim Frames

Add in-line branding or advertising with these slim and trim frames!

Features & Benefits:

- Sleek and modern with a slim profile of only ¾", Slim Frames put the emphasis on your media, not the frame.
- Works seamlessly with Beltrac® 3000 Posts.
- Graphic inserts can be easily changed out and are protected between two clear Plexiglas panels.
- Hinged frames allow for angled panels within an in-line merchandising system.

CAPTURED MEDIA

The top section of the frame is removable. Simply unscrew the two screws near the top of the frame with a Phillips screwdriver. The top edge slides out, revealing the channel that receives the graphic inserts. Replace the top frame edge for secure, tamper-proof panels.
