

# Careers

Lavi Industries is a premier manufacturer of innovative public guidance systems. The company is headquartered in Valencia, California with additional facilities in Brewster, NY. Our continued growth and success has been achieved through the determination and talents of our dedicated employees.

## Freight Coordinator

---

Valencia, CA

Our Freight Coordinator will be responsible for finding suitable freight carriers to best serve our customers' shipping needs. The perfect candidate has the ability to solicit and negotiate shipping contracts and spot rates and is familiar with LTL and FTL, international CL and LCL, and US Customs and Duties. We are looking for a team player who is eager to learn new processes to expedite schedules while maintaining our budget. Reports directly to the COO. Local applicants only please.

### Qualifications and Requirements

- Bachelors degree in relevant field.
- Minimum 5 years experience working with International and Domestic freight.

We offer the right candidate an opportunity to develop his/her full potential in an entrepreneurial environment, as well as an attractive compensation package.

Verifiable references and drug screen/background check are required.

Equal Opportunity Employer
