Production Artist / Jr. Graphic Designer

Valencia, CA

We are seeking a talented, organized, and service-oriented Production Artist / Jr. Graphic Designer to join our Marketing team. You'll be working in a fast-paced and fun-loving environment, using your solid knowledge of printing processes, keen attention to detail, and ability to work independently to help create both digital and physical art assets.

You'll be a multi-talented individual who can wear many hats — from maintaining and operating digital printing equipment to creating digital art assets using the latest software. This full-time position reports to the Creative Services Manager and works directly with individuals inside and outside of the company.

Requirements:

- BA in Graphic Design (or equivalent field) and 1-2 years of related experience in graphic arts and electronic publishing or equivalent combination of related education and experience.
- Working knowledge of graphic imaging systems/digital printers, and both Mac and PC hardware and supporting software.
- Expert knowledge with Adobe Suite — Acrobat, Illustrator, InDesign, and Photoshop
- Ability to learn and master new software and skills

We offer the right candidate an opportunity to develop his/her full potential in an entrepreneurial environment, as well as an attractive compensation package.

Verifiable references and drug screen/background check are required.
